REPUBLICANS ARE TO MEET TO-NIGHT

State Executive Committee Hear Contests and Endeavor to Heal Wounds.

The Republican State Executive Committee will meet to-night at 8 o'clock at Murphy's Hotel to consider various matters affecting the party in the State, and what is of most interest here, the split in the local ranks. For several years a breach has existed among the Republicans of this city, and during the past year or two it has extended to the party in the district.

The committee consists of ten members—three from each district—besides the chairman and secretary. Hon. Park Agnew is chairman and Captain Asa Rogers secretary of the committee. The other members are J. M. Griffin, First District; Thomas Lowry, Second District; C. P. Sheard, Third District; S. B. Bolling, Fourth District; S. C. Profit, Fifth District; W. H. Mosby, Sixth District; C. M. Gibson, Seventh District; Joseph L. Crumpler, Eighth District; L. P. Summers, Ninth District; and S. Brown Allen, Tenth District.

The seat of C. P. Sheard, of the Third District, is being contested by Edgar Allan, Jr., of this city. It is now certain that the entire disagreement between the two factions in this district will come up for settlement by the committee.

Mr. M. M. Williams was made district chairman by the convention at West Point last March. Members of the committee, however, have met and deposed him on charges duly filed. He has, by serving notice on Chairman-elect Luce that he would prosecute before the Executive Committee a contest for the chairmanship of the district, assumed the role of contestant. He has also served notice on Mr. M. J. Enright that he (Williams) would contest the Goodrich man's seat as a member of the committee.
